MESSAGE

Delhi Technological University was upgraded from Delhi College of Engineering by the Government of NCT of Delhi in 2009. The University has an illustrious history spanning over eight decades. This university was initially established with the name of Delhi Polytechnic in the year 1941 to cater to the needs of Indian industries for trained technical manpower with practical and sound theoretical knowledge.

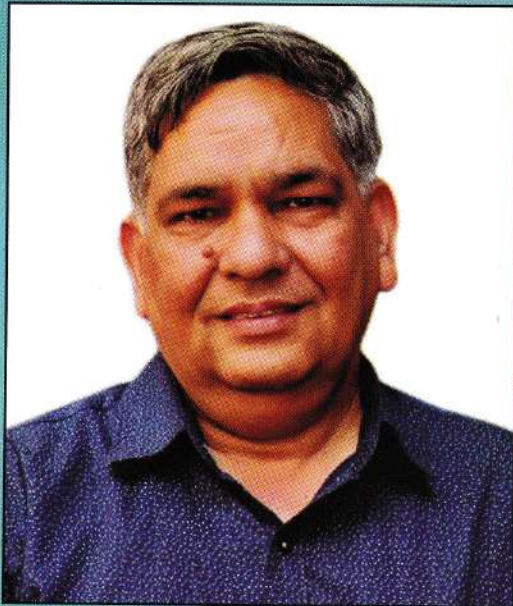

It's a matter of great pleasure that the Department of Physical Education & Sports is publishing Annual Sports Report of 2018-19. This proves our power to excel and work in direction to spread Sports Activities in each and every corner of DTU Campus alongwith outside campus across the country.

I look forward to witnessing new horizons of sports achievements in future and convey my best wishes for bright future of Sportsmen of DTU.
