NOTICE

Delhi Technological University has launched University Student Internship Program (USIP) to engage DTU students in various activities of the university in December 2016. To strengthen the activities in respect of this and vision, the university has launched the DTU-Innovation and Incubation Foundation (DTU-IIF) program within DTU Campus. The impetus of the program is to provide opportunity to expose students to real time projects and novel innovations to bridge the gap between Industry and Academia. This also helps university in improving processes and activities undertaken time to time. The USIP interns for startup companies incubated at DTU-IIF have to contribute towards various portfolios like Report and documentation, Data analysis, Coordination and Networking, Web developer, App developer (Android/iOS/Flutter), Embedded Programming/designing, Animation (2D/3D), Product development/designing, Social media Marketing and Business management etc.

Applications are invited from the students of DTU who are interested in above mentioned portfolios (for more details refer to online google form link to see the positions offered) The selected interns would be needed to devote minimum 6-8 hours per week including weekends and holidays and will be paid Rs. 3500/- per month.

The interns are expected to work in OFFLINE mode ONLY, so only those who are really interested and can report to DTU campus, need to apply. All the interested students are required to fill in the online form at the link:
