

## "Hostel Registration & Allotment Process

This is to inform all students that **Hostel Registration, Allotment, and related processes are completely ONLINE**. Students and their parents are **not required to visit the Hostel Office in person** for any of these activities.

All necessary information, updates, and instructions will be made available on the **official hostel website**. Students are advised to **regularly check the website** and stay updated with the latest notifications and deadlines.

Kindly ensure timely action based on the website announcements.
